Cancellation Policy: Allow 60 days for all charges to be billed on your account. **Cancellation must be received in writing by fax or email at least 60 days before your termination date.** If less time is given, you are still responsible for any charges incurred by your use of the Availity Advance Clearinghouse system.

After starting the new Availity Clearinghouse Plan, your initial support will be handled by Triangle Medical Solutions. Our support staff will only be able to help with Availity issues and will not be able to support any issues with your software. Contact FastEMC support at (800) 326-4831 x 703, or email to [support@fastemc.com](mailto:support@fastemc.com), or add a support ticket on the web site at [www.fastemc.com](http://www.fastemc.com). This will focus your software and clearinghouse issues to the FastEMC support staff. Availity will step in when the trouble is related to edits at Availity or other advanced issues.

Customers can select AutoPay to pay by Check or Credit/Debit automatically each month.
